

125 YEARS OF EMPOWERING WOMEN

**Donor support is the
foundation of our
ability to educate,
serve and empower**

The Ebell of Los Angeles is a community founded by women, for women in 1894. Our mission is to participate in and encourage the educational, cultural and social growth of the diverse Los Angeles community and to conserve and protect our historic Clubhouse, grounds, collections and Wilshire Ebell Theatre.

**Help us reach our
goal by bringing in**

125 new donors
in 2019!

**Your donation to the Legacy Campaign for our
125th Anniversary contributes to the restoration
and preservation of our historic Clubhouse.**

Key restoration projects include:

The Fountain of Honor

The Fountain of Honor was designed by Henry Lion in 1927 and was created to honor Ebell members' sons, husbands and brothers who served in World War I. The beautiful statue was installed in September 1930, and the Legacy Campaign will focus on the restoration and preservation of this significant fountain.

Theatre Landscape and Courtyard Garden

We are restoring our historic gardens to the original design created by Florence Yoch. Ms. Yoch was a trailblazer in her time, working as the landscape architect for Tara in *Gone With the Wind* and designing over 250 projects in her lifetime. We are working to ensure renovations stay true to her vision.

Elevator

Members have always enjoyed events and committee meetings on the third floor, but now the antiquated elevator is in need of restoration. This year we are fundraising to fix the elevator so everyone can access our historic Clubhouse.

Why I contribute

It's an honor to have the opportunity to donate to The Ebell as a historic institution promoting education and community between women in Los Angeles. I look forward to getting to know the Ebell family and learning from the varied experiences of other women through my membership in the organization.
